

Agenda Items for the Final Disabilities Issues Committee Meeting of the fall 2021 Semester

Co-chairs Jessica Powell and Elyse Zucker

Dec. 14th, 2021

Looking ahead to our work for the Spring 2022 semester

- 1) What do our chosen committee projects, Faculty Training and Education and How to Support Students with Disabilities in the Classroom entail, specifically:
 - What do these projects involve?
 - Who trains, who gets trained?
 - Who disseminates the information and how?
 - Do these projects need funding)?

- 2) Preparing for The Disabilities Issues Committee's role and project in CUNY's April Disabilities Awareness month event. Can one of our chosen projects be expanded to represent our committee for its contribution to the April CUNY Disabilities Awareness month event?

- 3) Outcomes of our meeting with the Facilities Committee Chairperson, Prof. Marcella Bencivenni: discussion about and action to be taken on the B Building chair-lift problem
