

RN A.A.S. Degree - Nursing Program Eligibility Checklist

ID _____ Last Name _____ First Name _____

Email: _____@stu.hostos.cuny.edu

Dear Prospective Applicant:

Entry into the RN Clinical Program is based solely on having the required pre-requisite courses, and achieving a minimum acceptable score on the ATI TEAS Exam which is competitive with the other applicants. Admission is competitive and is based on space availability.

After being admitted, nursing students are required to undergo a series of criminal background checks required by our clinical placements as well as mandatory drug screening. Anyone with a criminal record should seek advisement from the Nursing Unit's Coordinator about how best to proceed with this application. Please submit all transcripts (including transfer transcripts) to your advisor.

1. The ATI TEAS exam is required for admission into the Registered Nursing Clinical Program and is taken in the semester before admission. The student may defer for one semester. Students who meet the Pre-Requisite Course G.P.A. requirement of 3.0 while completing all the pre-requisite courses will be allowed to take the ATI TEAS Test for admission. The course requirements include at least a B- in ENG 110, MATH 120, BIO 230, BIO 240, BIO 310, CHE 110. Any other pre-requisite course requires at least a C grade.
2. If BIO 310 is taken in the second semester of the Clinical Nursing sequence, the minimum required grade of B- remains unchanged.
3. Only one pre-requisite course can be repeated.
4. The student may register for the ATI TEAS Test while they are enrolled in BIO 240 or BIO 310.
5. The RN Day Program admits in September. The RN Evening Program admits in January.

Course	Req. Grade	Grade	Advisor's Notes
ENG 110	B-		
ENG 111	C		
MATH 120	B-		
BIO 230 (< 5 years old)	B-		
BIO 240 (< 5 years old)	B-		
BIO 310 (< 5 years old)	B-		
CHE 110 (< 5 years old)	B-		
PSY 101	C		
PSY 110	C		
SOC 101	C		
HLT 215	C		
Required G.P.A.	3.0		

The two (2) Writing Intensive courses are self-contained in Nursing: NUR 227 and NUR 228.

I further understand that completing and submitting this Checklist, and receiving advisement does not guarantee my admission into the nursing program.

I have been informed that admission to the nursing program is based on my academic record, the ATI TEAS Score and space availability.

I have been informed that admission into a clinical site for training is based on my meeting that institution's requirements as well as my meeting the requirements set forth by the New York State Department of Education's Office of the Professions for licensure as a Professional Registered Nurse.
