

# CUNYFirst Person of Interest (POI) HR Data Form

## General Instruction:

In accordance with CUNYFirst policy, all non-tax levy employees who are requesting access to CUNYFirst must **meet one of the following criteria** - *they supervise tax levy employees (e.g. college assistant), use the system to complete their job duties (e.g. student advising) or are in the system for a specific business reason.* Access will be granted only if one of the criteria is met and with authorizations from the employee's supervisor and the Department Head.

This form must be completed and returned to Human Resources (HR) before the request for access can be processed. Once the request is processed, the individual will be provided with **basic system access** – HR will notify the employee to claim his/her account and to pick up Hostos ID Card. For additional access or access to advanced modules (e.g. Campus Solution for student records), please contact Hostos' CUNYFirst Help Desk @ 718-664-2555 for instructions.

For system security, Supervisor/Department Head must indicate the 'Access End Date' and it should not exceed fiscal year. The access start date is the date the form is processed and generally it is the same date the form is submitted assuming HR has all of the required information and documentation. When the access has expired, it can be renewed by submitting a new form. If system access is no longer required before it is expired, the supervisor/Department Head **MUST** notify HR and Help Desk immediately.
